# Google Classroom

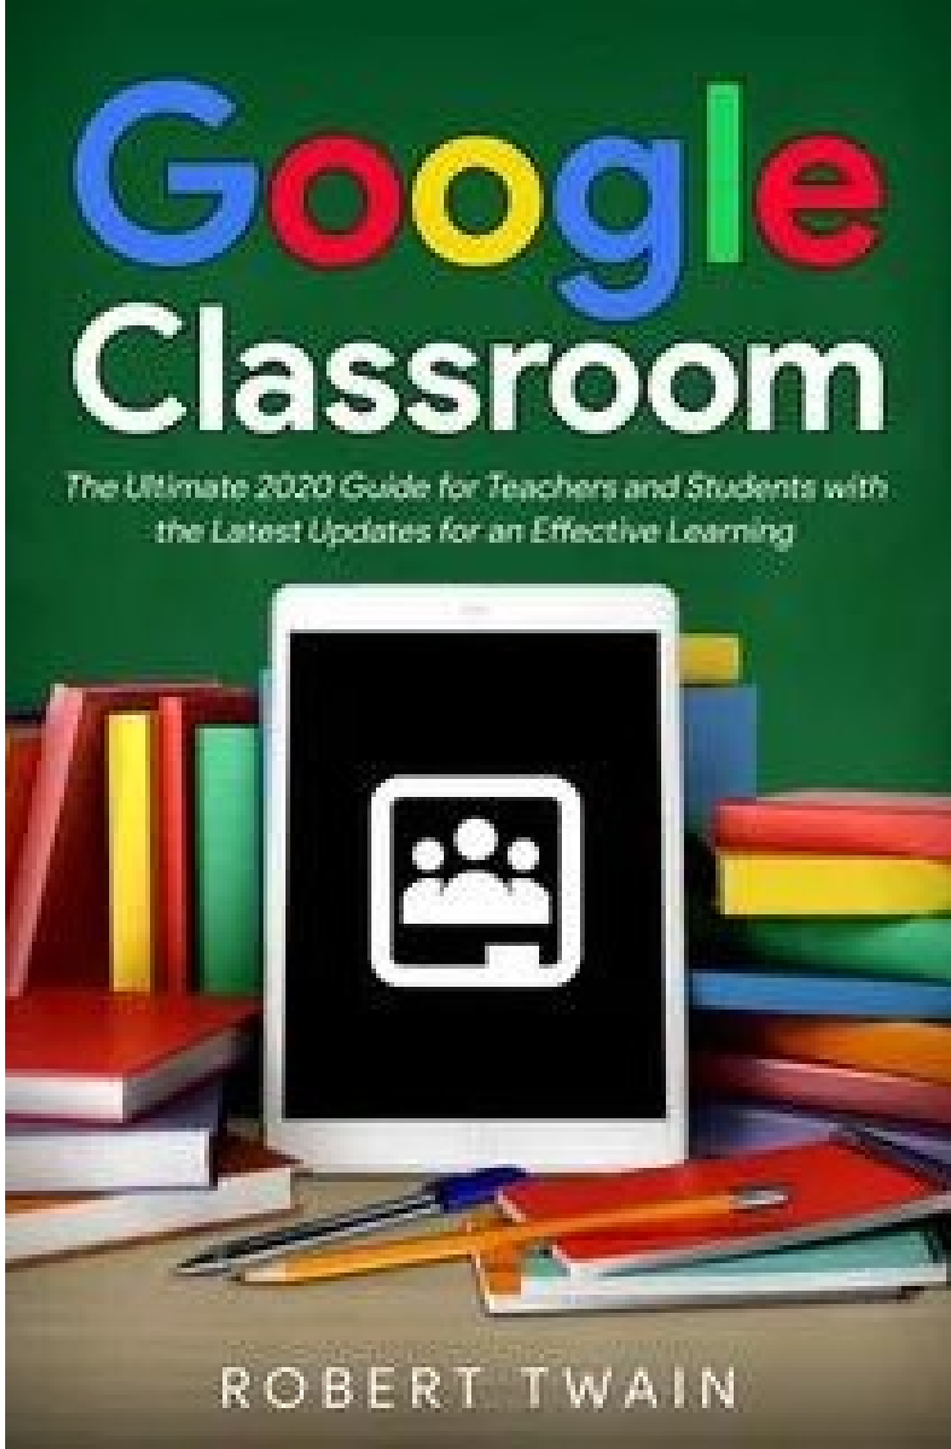

O’quv jarayonini tashkil qilishdagi bulutli platformadir. Platforma o’qituvchi va o’quvchi (talaba)lar hamkorligiga asoslangan ta’lim jarayonini samarali tashkil qilish imkoniyatini beradi. Google Classroom o’quv jarayonini tashkil qilishning keng imkoniyatini taqdim etadi: Google Classroom xizmatida avtorizatsiyadan o’tish va o’z o’quv kursini yaratish, fanlar bo’yicha turli kurslarni qo’shish, o’quvchi (talaba)larni sinf (kurs)ga taklif qilish, sinfda topshiriqlar yaratish, baholash va baholangan topshiriqlarni o’quvchi (talaba)larga qaytarish.

Google Classroom bilan ham individual, ham jamoaviy turli ta’lim faoliyatini tashkil qilish mumkin. Google Classroom platformasidan foydalanish ta’lim mazmunini yangilashga, pedagogik usullarni kengaytirishga, tabaqalashtirilgan o’qitish texnologiyasini joriy etishga, shuningdek, masofaviy o’qitishni tashkil etishga yordam beradi.
